White Bean & Lemon Dip

MOMENT	GOAL	DIFFICULTY	TIME	SERVINGS
Snack	Plant protein & fibre	Very easy	10 min	4 portions

INGREDIENTS

Cooked white beans, drained	240 g (1 jar)
Olive oil	2 tbsp
Lemon, zest and juice	1
Garlic clove, finely grated	1 small
Fresh parsley, chopped	1 handful
Salt and pepper	to taste
To dip: carrot, pepper, pita	as you like

NUTRITION INFO

~120 kcal	~4 g protein
~11 g carbs	~7 g fat

~ estimated values per serving

PREPARATION

1. Drain and rinse the beans, then tip them into a bowl.
2. Mash with a fork or a potato masher until rustic, adding **1-2 tbsp of water** if it is too thick.
3. Stir in the olive oil, lemon zest and juice, garlic and parsley.
4. Season with salt and pepper and taste.
5. Serve with vegetable sticks or pita. Keeps **3 days** in the fridge.

NUTRITION NOTE

White beans bring plant protein and fibre, and the olive oil makes the dip smooth and filling. No blender needed: a fork gives a rustic texture. Values are per portion, without the dippers.
