PREPARATION

1. Preheat the oven to **160°C (320°F)**.
2. Mix the oats, chopped almonds, walnuts, pumpkin seeds and cinnamon in a large bowl.
3. Warm the honey and oil together slightly, then pour over the dry mix and stir until everything is well coated.
4. Spread in an even layer on a lined baking tray and bake for **18-20 min**, stirring halfway through so it toasts evenly.
5. Let it cool completely on the tray — this is what makes it crunchy — then stir in the raisins.
6. Store in an airtight container. Keeps for 2-3 weeks.

NUTRITION NOTE

The oats provide slow-release carbs, while almonds, walnuts and pumpkin seeds add healthy fats and protein on top — a filling, energy-dense snack the players can portion out for the week without any refined sugar.
