PREPARATION

1. **Mash** the dates with a fork or potato masher until they form a sticky paste.
2. **Mix** in the peanut butter, oats, cocoa, chia seeds and salt until it holds together.
3. **Roll** into 12 balls with clean hands.
4. **Chill** on a plate in the fridge for about 30 min, then enjoy about **2 balls** per portion.

NUTRITION NOTE

Macros shown are for 2 balls. Dates give fast sugars; oats digest more slowly, and peanut butter and chia add a little protein and fat, so the energy lasts longer. Best about 1–1.5 h before training. Contains peanuts: swap in almond or sunflower seed butter if needed.
