Frozen Yogurt Bark

MOMENT	GOAL	DIFFICULTY	TIME	SERVINGS
Snack / Recovery	Protein & fruit	Very easy	15 min + 3 h freezing	10 pieces (1 tray)

INGREDIENTS

Unsweetened soy yogurt	500 g
Ripe banana, mashed	1 medium
Mixed berries	⅔ cup (100 g)
Rolled oats	3 tbsp (30 g)
Pumpkin seeds, chopped	2 tbsp (20 g)
Dark chocolate, chopped	20 g
Maple syrup (optional)	1 tbsp

NUTRITION INFO

~150 kcal	~6 g protein
~16 g carbs	~7 g fat

~ estimated values per serving

PREPARATION

1. Line a tray (~20x30 cm) with cling film or baking paper so the bark lifts out.
2. Mash the banana into the yogurt, stir in the syrup if using, and spread it **1 cm thick** over the tray.
3. Scatter the berries, oats, seeds and chocolate and press them in lightly.
4. Freeze for **3 h**, or overnight.
5. Break into about **10 pieces**, keep them in a container in the freezer and eat straight from there.

NUTRITION NOTE

Plain soy yogurt adds plant protein and, if fortified, calcium (check the label). Banana and berries give natural sweetness, oats and seeds add fibre and crunch. Values are for 2 pieces: a light snack, not a full meal. Contains soy and oats: check allergies.
